Selain Sungai Sabak Dua, Subang Hilang merupakan salah satu mercu tanda sempadan daerah Kajang sekitar tahun 1800-an: *"The boundaries of Inche Lili's domain were the district of Ulu Langat from Sungei Sabak Dua upstream following the Dato' Langat's boundary and downstream following the boundary of Dato' Ali as far as Subang Hilang."* (1897: [The Selangor Journal: Jottings Past and Present, Volume 5](#), hlm.306-307).

Anggaran Lokasi: Sekitar Padang Rusa / Brooklands Estate?

Setakat ini lokasi Subang Hilang belum dapat dipastikan. Anggaran kemungkinan tapak lokasinya kini, diperincikan di bawah.

1884: Catatan G.C. Bellamy

Menurut [G.C. Bellamy](#) (1884: sebelum dilantik menjadi Pemungut Cukai dan Majistret di Kuala Langat pada 11 Mei 1885), dalam perjalanan (dari Kajang?) mengilir ke Subang Hilang, beliau singgah di Amparan Tenang di tebing kanan Sungai Langat, ke hulu sedikit dari Kuala Labu, berdekatan dengan Simpang Ampat. Ketika itu terdapat beberapa petempatan orang asli di antara Subang Hilang dan Simpang Ampat:-

*"Kajang
17th Sept: 1884.*

Sir.

I have the honour to report that on my way to Subang Ilang on Thursday last I spent the night at a place called Amparan Tenang on the right bank of the R. Langat above K. Labu.

2. The campong is owned by a man named Mahomed Deriss who is very anxious to be made a sort of head over the Sakeis living between Subang Ilang & Sempang Ampat. He has great influence with these people who on their part entertain a great liking for him and as I think such an arrangement would be beneficial to that part of my District I beg respectfully to bring this to your notice for approval.

3. Mahomed Deriss is the son of Datoh Allee, Penghulu of Teluk Datto, in the Langat District.

I have the honour to be

Sir

Your most obedient servant

George C. Bellamy

1906: Catatan W.W. Skeat

Menurut Skeat (1906), Tunggul Si jaga (berhampiran/bersamaan Bukit Tunggul) terletak ke hulu sedikit dari Subang Hilang:-

“A song of a very different sort was the Besisi Trumba or Song of Tribal Origin, which has a special interest of its own as representing an attempt on the part of this race of jungle-dwellers to keep some sort of record of their history. The Besisi who gave it me was an old man named Bedoh, of Sepang Kechil. Part of this Trumba at least seems to preserve the traditions of old tribal boundaries, and I believe it really supplies the clue to the long strings of (generally contiguous) place-names that are so often described as occurring in the songs of the Semang and Perak Sakai, The following version is a little freer than that given elsewhere in this book. ... 'Tunggul Si Jaga,' the 'Stump of the Watcher,' was the name of a stump in a commanding position, near the River Langat (a little above Subang Hilang), from which a look-out used to be kept by pirates in the days when they infested the Langat River. The spot is still well known.” (Walter William Skeat, 1906:

"Pagan races of the Malay Peninsula", Vol. 2, m.s. 164-167).

Peta 1876

Peta persempadanan lama Selangor-Sungai Ujong, 1876. Turut ditandakan (dijelaskan lagi dengan bulatan merah), antara mercu tanda sempadan daerah Langat (Selangor) dan Kajang (Sungai Ujong) ketika itu, iaitu “Sobang Elang” (Subang Hilang). Perubahan Sempadan Daerah

Peta 1930

Di dalam lakaran peta Kampung Labohan Dagang tahun 1930, kampung tersebut telah pun dimasukkan dalam sempadan Kuala Langat, dengan daerah Ulu Langat di sebelah timurnya:-

Kiri: Peta Labohan Dagang, 11/10/1930. Bersempadan dengan "District of Ulu Langat".

Kanan: Peta Labohan Dagang, 8/2/1931

(Sumber peta-peta ini: Arkib Negara 1957/0268181W, 11/10/1930:

|

"RE-GAZETTING OF LABOHAN DAGANG MALAY RESERVATION IN TANJONG DUABLAS MUKIM;
Description : DISTRICT OFFICER KUALA LANGAT SUBMITTED PROPOSAL ON THE RE-GAZETTING OF
LABOHAN DAGANG MALAY RESERVATION WHICH WAS CONSTITUTED BY GAZETTE NOTIFICATION NO.
790 OF 9.2.1923 FOR THE APPROVAL AND PUBLICATION IN THE GAZETTE BY THE COUNCIL.").

Ini bermakna, ketika itu, Subang Hilang yang terletak ke hilir / ke barat lagi dari Labohan Dagang, telah turut termasuk dalam daerah Kuala Langat, dan bukan lagi di bawah daerah Kajang / Ulu Langat.
